

AN-HO Clinic(AN-HO Health Management Center) Health Check Consent

contractor:

ID Number:

In order to carry out the self-funded course of treatment plan of the AN-HO Clinic (AN-HO Health Management Center), the author agrees to the following matters here. :

1. The author shall first undergo a full-body health examination, the type and type of item shall be determined by the AN-HO Clinic in full discretion as required by the course of treatment plan, and the author shall unconditionally agree to accept the examination and bear the cost of the health examination.
2. Full body health examinations referred to in the preceding provisions, including but not limited to AN-HO Clinics, may be arranged for referral to other relevant medical institutions if necessary.
3. After the conclusion of this consent, the author shall no longer claim to terminate or terminate the agreement between the two parties, and IF THE AUTHOR UNILATERALLY VIOLATES THIS AGREEMENT, AN-HO CLINIC SHALL HAVE NO OBLIGATION TO COOPERATE AND REFUND THE FEE.
4. Covenanted people clearly informed by the AN-HO Clinic, this final piece of health examination results can not be 100% accurate and correct, all data show the results only for AN-HO assessment of the current situation with the medical team, does not mean that the future integration of the medical treatment plan in progress or after the end, no new changes in derivatives.
5. When AN-HO Clinic made a written report on all health check results, in charge of aggregate, analyze and analyze, explain and put forward recommendations to the covenanted people, whether able to integrate medical treatment plan. The final decision depends on the AN-HO Clinic.
6. AN-HO Clinic carries out the health examination as referred to in this book, which is not equal to an AN-HO Clinic's obligation to perform the integrated medical course of treatment, and if the AN-HO Clinic determines that it is not appropriate to carry out the integrated medical course of treatment program, the author shall not claim in any form that AN-HO Clinic performs nothing..
7. After the overall assessment of AN-HO Clinic, both parties agree to the integration of medical treatment plan, should be separately signed "consent to treatment and guarantee" B, not before the signing of the guarantee, the two sides still do not bear any rights and obligations.

Sincerely

AN-HO Clinic(AN-HO Health Management Center)
